Object: Revision of the manuscript 1727302923245627 entitled " Users' perspectives of barriers and facilitators to implementing EHR in Canada: A study protocol "

Dear Editorial Board members,

We are pleased to send you the revision of our manuscript. We wish to thank Dr. Foy for his sound input. We have carefully considered his comments and made all the proposed changes in the manuscript.

Thank you for considering our work for publication in Implementation Science and we look forward to receiving your feedback on the submitted revision of our manuscript.

Sincerely,

Marie-Pierre Gagnon, Ph.D.

Assistant Professor

Faculty of Nursing Sciences

Laval University

Quebec, Canada
