Title: Developing a national dissemination plan for collaborative care for depression: QUERI Series.
Authors: Jeffrey L. Smith, John W. Williams, Jr., Richard R. Owen, Lisa V. Rubenstein, Edmund Chaney

Dear Dr. Eccles,

As instructed by QUERI Series editors, I am submitting this revised manuscript (copyedited version) which incorporates final edits requested by the Series editors. We hope the revised manuscript adequately addresses the edits requested by the Series editors. Please feel free to contact me if you require any additional information concerning the manuscript.

Best regards,

Jeffrey L. Smith
