Title: Revisiting Interaction in Knowledge Translation

Version: 2 **Date:** 21 September 2007

Reviewer: Luciana Ballini

Reviewer's report:

General

I am perfectly happy and I agree with the way the authors have answered to and dealt with my comments. I now found the paper, enjoyable and interesting from the start, an easier and smoother read. I particularly appreciated the way the discussion section was re-organised, welcomed the insertion of Table 1 and appreciated the importance of keeping quotations from interviews in.

thank you for the opportunity to review this manuscript.

Luciana Ballini

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
