**Version:** 5 **Date:** 22 October 2007

### **Author's response to reviews:**

Dear Dr. Eccles and Dr. Graham,

I am submitting the final version of the article referenced above, with the copy-edits accepted (except for 'disease,' which I did not accept, but replaced with 'disorder'). The revisions proposed by Dr. Stetler and Dr. Mittman have likewise been accepted to conform to standard VA QUERI language.

Sincerely yours,

Carolyn Wallace
